

Airport Operations Bulletin #2017-13

To: Airport Tenants & Users
From: Airport Operations
Date: June 15, 2017
Re: 2017 Bergen County United Way TEB 5K Run

On Saturday, July 15, 2017, Teterboro Airport will be hosting the **20th Annual Teterboro Airport 5K Run**, benefiting Bergen County's United Way. This event involves approximately 800 runners and takes place on runway 1/19 and associated taxiways. There will **NOT** be an airport closure associated with the race.

The race begins at 0830L, with on-site preparation of the event beginning at approximately 0500L. We anticipate the entire race work to be completed by 1100L.

In addition to runway 1/19 being closed, the following taxiway closures will occur as a result of the race:

- **RUNWAY 1/19 CLSD:** At 0600L, runway 1/19 will be closed for pre-race preparations, and will remain closed for the entire event (approx. 0600L – 1100L).
- **TAXIWAY L CLSD SOUTH OF TWY J:** From 0600L through 1100L, taxiway L will be closed south of taxiway J.
- **TAXIWAY K CLSD:** From 0600L through 1100L, taxiway K will be closed. During this time, there will be no aviation related access from hangars 118, 119, 120, 121A and 121B to taxiway K. In addition, there will be major activity in and around the vicinity of these hangars.
- **TAXIWAY Q CLSD BTWN RWY 1-19 AND RWY 24 APPRCH END:** From approximately 0730L through 0900L, taxiway Q will be closed between runway 1-19 and the approach end of runway 24.

As always, please consult the FAA NOTAM system for current airport conditions.

We appreciate your understanding and patience while we conduct this most worthwhile charitable event.
