- Careers in Business Aviation Day, BACE

# What can you do in business aviation?

# Mentoring Program

- Launching a nationwide mentoring network that will allow mentees developing in business aviation careers to learn from industry veterans, with the aim of fostering a collaborative environment for professional growth.
- 9 month program will run from September through May.
- Mentor's can enroll in the program Aug. 19th through Sept 20th.
- The program will open for mentees to build their profile September 3rd - 20th, at which time they'll be able to search for and request a mentor of their choice.

## Focus: Giving Back

Build the industry's future workforce – join the NBAA mentorship program.
