May 2021

Operations Update

➤ CBP Update

- Effective immediately, the contact tracing and arrival restrictions related to the Democratic Republic of Congo (DRC) have been lifted and no longer apply.
- Previously issued travel restrictions and contact tracing will remain in place for the Republic of Guinea and applies to all persons who traveled from, or were otherwise present within, the Republic of Guinea within 21 days of the person's entry or attempted entry into the United States.
- Ebola processing procedures will not change.
- On April 30, 2021, a Presidential Proclamation was issued suspending entry to the United States of certain travelers who traveled from, or were otherwise present within, the Republic of India during the 14-day period preceding their entry or attempted entry. This restriction is effective as of May 04, 2021, at 12:01 AM Eastern Daylight Time.
