Airport Construction Update

Deidre Wilson

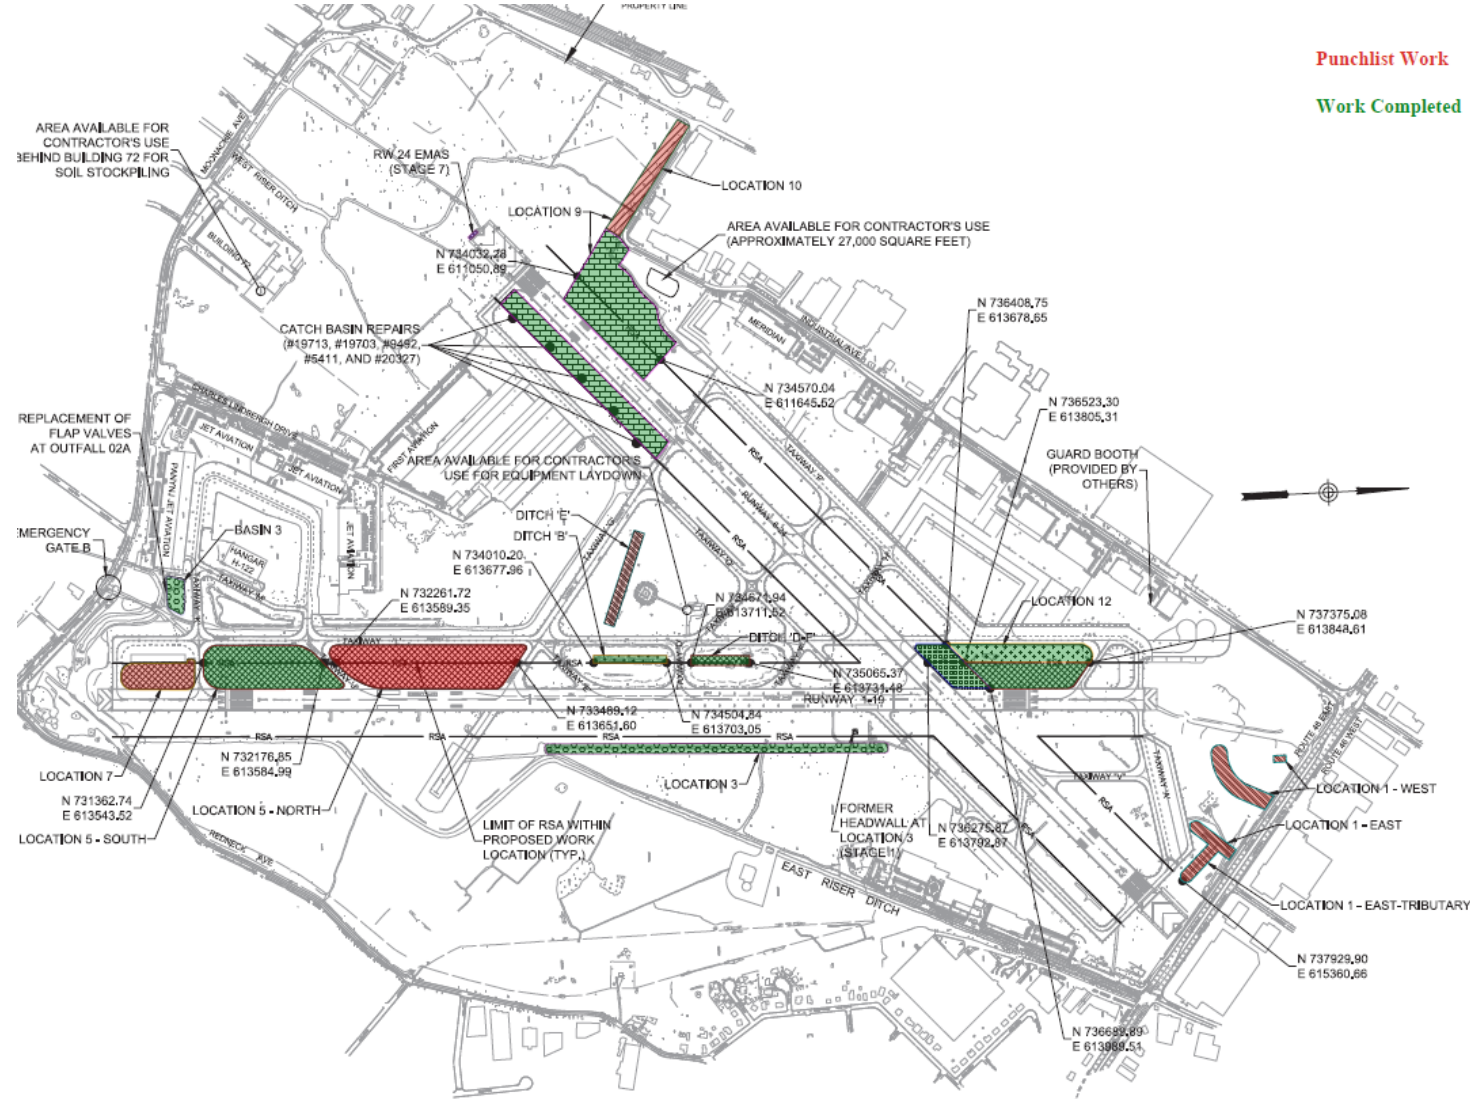

Storm Drain Phase 2

Punchlist Work

Work Completed

Construction Progress as of March 1, 2026

- A final inspection of all work was held on November 24, 2025, marking the final stages of the project.
- Contractor will resume any remaining punchlist work once winter conditions subside (this will include addressing issues related to the compost placed during seeding operations).

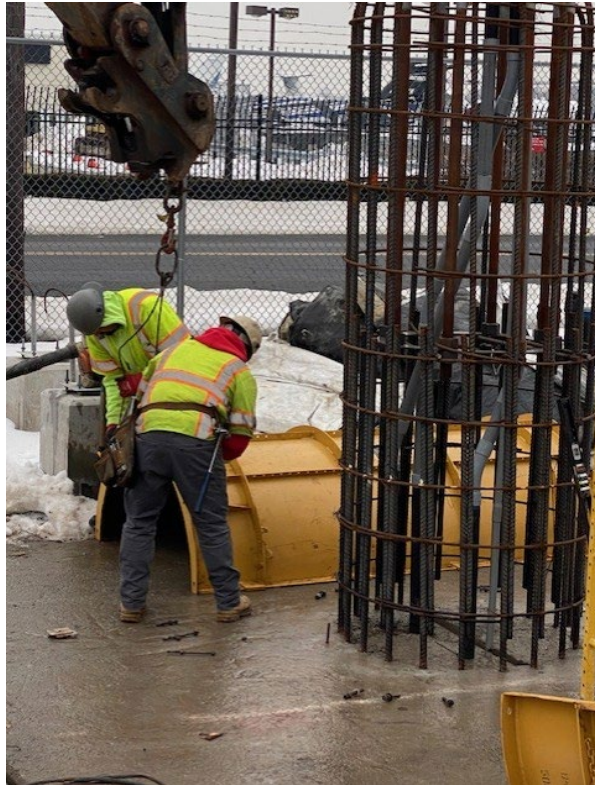

Beacon Relocation

Construction Progress as of March 1, 2026

- The high mast pole has a tentative delivery date of April 24, 2026.
- To date all underground electrical ducts have been installed as well as new concrete foundations for platforms and beacon tower.
- The next few weeks will involve completion of the electrical ground loop at the tower foundation and the start of steel fabrication for platforms, railings and stairs.
- The beacon is on track to be completed by mid-July 2026.**
